Other plate dimensions on agreement
Plates of some steels (type S/P235..., S/P355...) according to EN 10025-2, EN 10025-3, EN 10028-2, EN 10028-3
can be ordered in a piece weight up to 12,500 kg and in a thickness up to 102 mm; dimensions on agreement
