

TYPE APPROVAL CERTIFICATE FOR STEELS

N°AC/CS-01-04-257

Considering the data supplied at the date of this Certificate and the type tests performed, BUREAU VERITAS can accept the use of the steel defined hereafter on board ships and offshore installations classed with the Society :

- **Manufacturing Steelworks :** **VITKOVICE a.s. - Division HUTE, OSTRAVA
Czech Republic**

- **Steel category :** **Normal strength hull steels**

- **Grade and/or trade mark :** **Grades A, B, D, E & DZ25.**

- **Nature of products :** **Plates.**

- Particulars concerning the above mentioned steels are given in the attached enclosure(s).

The Approval may be reconsidered by BUREAU VERITAS in the following cases :

- significant changes are brought to the steel itself or to its manufacturing conditions
- non-conformities to relevant BUREAU VERITAS Rules are noticed during inspection at works
- anomalies are found when using products made with the approved steel
- products made with the approved steel have not been manufactured, or inspected by BUREAU VERITAS for more than two years.

The Approval implies that the products, prior to fitting on board, undergo the tests and inspections requested by the Society Rules. Inspections at works by BUREAU VERITAS Surveyors may be omitted only for Workshops awarded with a Certificate of Approval for BV Mode I Survey.

At PARIS LA DEFENSE, on June 10, 1996

For BUREAU VERITAS

J. BENOIT

Any person not a party to the contract pursuant in which this document is delivered may not assert a claim against Bureau Veritas for any liability arising out of errors or omissions which may be contained in said document, or for errors of judgment, fault or negligence committed by personnel of the Society or of its Agents in the establishment or issuance of this document, and in connection with any activities for which it may provide. The latest published Rules of BUREAU VERITAS and the Marine Division General Conditions stated overleaf are applicable.

Enclosure to TYPE APPROVAL CERTIFICATE FOR STEELS

N°AC/CS-01-04-257

MANUFACTURING Steelworks : : VITKOVICE a.s., Division HUTE, OSTRAVA
Czech Republic

STEEL CATEGORY : : Normal strength hull steel

GRADE and/or TRADE MARK : : Grades A, B, D, E and DZ25.

MANUFACTURING PROCESS : : Basic oxygen converter "OXIVIT"

METHOD OF CASTING : : Continuous casting

DELIVERY CONDITION : : As rolled for grades A & B, Normalized for all other grades

NATURE OF PRODUCTS and MAXIMUM THICKNESSES : : Plates up to a maximum thickness of 40 mm

PARTICULARS : : Grades microalloyed Al - and Al + Nb for grade E
